THE CHEADLE COLLEGE

Level 2 Diploma in Information Technology

Location	Cheadle College
Course Type	College 16-18
Department	Computing
Start Date	Monday 2nd September 2024
Course Code	CFP-CT2D-1100

Course Overview

This is a full-time qualification for one year, covering both theoretical and practical aspects of IT focusing on creative skills and technologies.

The course is ideal if you are interested in a career in IT or any digital industry. Not only will you develop your IT skills, knowledge and understanding but you will develop many skills in software packages. There are no external exams

Course Requirements

4 GCSE's at Grade 3 or above (including maths and/or English Language).

What You Will Learn

You will develop a wide range of IT skills that will be valuable in the workplace. You will also understand the design process through planning, designing and making graphics, a website and a game.

Assessment

Your assessments are all done on the computer and are coursework based - there are no exams.

Progression

Successful completion of this qualification allows you to progress to the Level 3 IT course or will help you obtain a good apprenticeship.

Career Options

Office/Business Administration
Accounts departments
Publishing or multimedia
Sales and Marketing departments
Education and training

Mandatory Units

Communicating in the IT industry: Identifies the different IT tools available for safe and secure communication and exchange of information within an organisation

Working in the IT industry: You will focus on what jobs are available and what characteristics they will need to secure that job
