STOCKPORT
COLLEGE

Level 1 Diploma in Carpentry and Joinery

Location	Stockport College
Course Type	College 16-18
Department	Carpentry & Joinery
Start Date	Monday 2nd September 2024
Course Code	SFP-CA1D-1100

Course Overview

This stepping stone into the carpentry and joinery industry gives you the basic hand and craft skills you will need to progress in your career. Understanding the principles of construction, health and safety, types of building construction and industry operation will help you improve communication with other trades. Learning about measurements, deadlines, standards and working conditions through role play and practice will help you become part of the community.

Course Requirements

4 GCSE's at Grade 2 or above (including maths and Englihs Language).

What You Will Learn

You will be introduced to the essential technical knowledge and practical skills to carry out basic carpentry and joinery tasks required to enter the construction industry.

Assessment

Your assessments are carried out in the workshop. This includes continuous practical assessments, knowledge based assessments for each unit and all the units have a multiple choice end test exam.

Progression

Successful completion of this qualification allows you to progress into employment or on to the following qualifications: Level 2 Site Carpentry or Level 2 Bench Joinery.

Career Options

Joiner, carpenter, other opportunities within the construction sector

Mandatory Units

Maintain and use carpentry and joinery hand and power tools
Produce woodworking joints
Health, Safety & Welfare in construction
