Site Carpentry Level 2 Diploma

Location	Stockport College
Full/Part time	Full-Time
Department	Carpentry & Joinery

Course Overview

Upon successful completion of Level 1, you will be given more responsibility as you are taught how to properly and safely use the tools of the trade. You will install a variety of joinery products including doors, windows and straight flight stairs. We have simulated rigs in our onsite workshops which replicate site work in industry. Our facilities provide you with the opportunity to practice current building techniques before attempting formal assessments including ground/upper floors, pitched/flat roofs and kitchen installation.

Course Requirements

To have successfully completed Level 1 Carpentry & Joinery.

Course Assessment

The Level 2 Diploma in Site Carpentry course has seven mandatory units that you must complete successfully to achieve the qualification. You will be assessed through practical assignments and online multiple choice tests for each unit.
