Course Overview

By training in our professional salon and working on real clients, you will gain a range of hairdressing skills and techniques to support you in your career. Specialising in styling and dressing hair, consultation, colour and cutting techniques to an advanced level, you will be ready to work in the industry with confidence.

You will also be monitoring health and safety in the salon and learning how to promote products to help support business practices, which will make you more employable. Additionally, you will learn about creativity and colour correction in this all-round hairdressing qualification.

This programme has specifically been designed around what the industry requires you to need. We have done this by speaking to several employers and getting their opinion on the course and units we offer.

Our Hair Experts work with you very closely to support you every step of the way and also ensure that by the end of the year you are in a career that suits your dream!

Your future is our top priority. Preparing for industry is your top priority. We can work together to ensure your dream is fulfilled!
