Course Overview

By linking current research and child development theory to professional practice, the course offers a professional development opportunity to those working in early years and childcare. There are established relationships with local and regional employers.

Course Requirements

Whilst applications are considered on an individual basis, offers are usually based on a requirement to have:

64 UCAS points

Level 3 qualification in a relevant subject

Other related level 3 qualifications

4 GCSEs at grade C (grade 4) or above, including maths and English

Access to Higher Education Diploma in a relevant area

Related work experience will be considered in the absence of level 3 equivalent qualifications.

What You Will Learn

The combination of study with workplace learning offers an opportunity to link theory and practice, develop understanding of how children learn, and develop and explore aspects of social policy that affects children and their families.

Assessment

A range of assessment methods are used including reports, essays, presentations, and portfolios. Typically, each module comprises one assessment, carefully designed to support and develop skills in independent thinking and learning.

Progression

Upon successful completion, students may apply to the BA (Hons) Level 6 Top up Childhood Studies, studied at the University Centre- Stockport College. Opportunities for career progression include management positions, PGCE Primary qualification routes, and Early Years teacher Status (EYTS).
