

HNC Construction Management for England (HTQ) (Construction Design and Build Technician)

Location	Stockport College
Course Type	University Level
Department	Building Services
Start Date	Wednesday 17th January 2024
Duration	Part-Time, 1 Year
Course Code	SPQ-HC4H-1210

Course Overview

The aim of Pearson BTEC Higher Nationals in Construction Management for England is to develop students as professional, self-reflecting individuals who are capable of meeting the needs of employers in the construction sector and adapt to a constantly changing world. The purpose of the qualifications is to broaden access to higher education and improve the career prospects of the people who study them.

Course Requirements

All applications will be considered individual merit, however, offers will usually be based on:

1. BTEC Level 3 qualification in a relevant subject
2. Other related Level 3 qualifications
3. Normally 4 GCSEs at grade C or above (or numeric score of 4/5 under newly reformed GCSE grading), including Maths and English
4. An Access to Higher Education Diploma in a relevant area
5. Related work experience may be considered in place of formal qualifications

Assessment

Through written assignments, reports, and presentations.
