Engineering - Access to Higher Education (HE)

Diploma

Location	Stretford Campus
Full/Part time	Full-Time
Department	Access to Higher Education

Course Overview

This course is designed to prepare mature students for University level study. If you want to progress into Higher Education study in any area of Engineering, including Mechanical, Electrical, Electronic, Automotive, Aeronautical, Civil or Product Design, this course will give you a good introduction to the subject.

In 2019-20, 100% of students on our Access Engineering diploma secured offers of university places. This compares with a progression rate of just 67% across all Access diploma courses in England and Wales.

Course runs over 3 days per week, classes between 9am and 3 or 4pm each day.

Course Requirements

The course requires you to have achieved GCSE English, Maths and Science at grade C or above/grades 4-9.

The pathway will run subject to minimum numbers being reached.

Course Assessment

Assessments include essays, practical reports, case studies, open or closed-book examinations and verbal, visual or IT-based presentations. All modules will include an element of time-constrained assessment which will contribute towards the final module grade.

Course Finance

The Tuition fee for this course is £3,928.00 You may be eligible for a full fee remission if you are in receipt of certain benefits or earning less than £20,888 per annum (if residing within Greater Manchester)

Course Includes

Access to Higher Education

Award

Upon successful completion of this course you will be awarded an Access to Higher Education Diploma from Open Awards.
