Access to HE Level 3 Diploma in Sports Management

Location	University Academy 92 (Stretford)
Full/Part time	Full-Time
Department	Access to Higher Education

Course Overview

Our Sports Management Access to HE Diploma will help you get the knowledge and skills you'll need for a career in the sport, recreation, and leisure industries by putting management theory into practise. We'll urge you to think creatively throughout the programme, bringing your own ideas to real-world business difficulties including managing people, marketing and entrepreneurship, as well as As well as learning the technical aspects of individual sports and different training techniques.

This is a Level 3 certification approved by the Quality Assurance Agency for Higher Education (QAA) for adult learners who are returning to study or who left school without the essential qualifications for undergraduate study. The Diploma in Sports Management is designed to help you develop both academic skills and business knowledge. You will study a wide range of business topics, including business management, leadership, and sports development as well as complete research projects, in addition to learning how to write essays or reports and prepare for tests.

This course is delivered by experts from Trafford College at UA92 campus in old Trafford and are specifically designed to prepare mature students for university level study.
