## Plumbing Level 1 Diploma

Location	Stretford Campus
Full/Part time	Full-Time
Department	Plumbing & Gas

## Course Overview

This qualification is intended as an introduction qualification for those who wish to enter any of the following industries:

Pipe Skills

Heating and Ventilating

General Plumbing

To achieve this Level 1, learners must achieve 45 credits from 8 mandatory units. Learning is through classroom based and practical workshop activities.

Completion of Functional Skills Level 1 Maths and English is compulsory unless a suitable exemption by GCSE certificates can be provided.

Learners must be dedicated and committed to the requirements of the course and Trafford College with a high level of attendance and punctuality supported by continued home study.

## Course Requirements

4 GCSEs at grade 2 or above including maths and English

## Course Assessment

The College staff will administer and monitor practical and written assessments covering the range of units of competence.

## Course Finance

This further education course is free for all 16-18 year olds who are resident in the UK and the European Economic Area for the last 3 years. (You must be under 19 on 31st August in the calendar year that you start your course).

19+ learners - please contact the Customer Services Team on 0161 886 7070 for course and fee information.
