# Level 2 Diploma in Applied Science and Technology

| | |
|---|---|
| Location | Stretford Campus |
| Course Type | College 16-18 |
| Department | Science & Pharmacy |
| Start Date | Monday 2nd September 2024 |
| Course Code | TFP-SC2D-1100 |

## Course Overview

The purpose of a Level 2 Diploma in Applied Science and Technology is intended to give learners the knowledge, understanding and skills that will enable them to progress to qualifications in a science or technology related area at a higher level or to employment in a science or technology related area.

## Course Requirements

4 GCSE's at Grade 3 or above (including maths and/or English Language).

## What You Will Learn

The course content will involve:

- Scientific knowledge of Biology, Chemistry and Physics
- Laboratory & Investigative skills
- Digital skills and how they are used in a modern scientific community.

## Assessment

Portfolio of work including examinations, written and practical assignments.

## Progression

The majority of students will move on to the Level 3 Applied Science course offered at Trafford College.

## Career Options

The primary purpose of this qualification is to support progression to further learning, but for some learners it could lead
to an entry-level job role in a science or technology setting such as a laboratory assistant, or to a role as an apprentice,
e.g. a science technician, electronic service technician or process operative.

## Mandatory Units

Chemistry and the Earth (Mandatory)
Energy and the Earth (M)
Biology and the Earth (M)
